ManyCam

Video Effects Gallery Connect

The screenshot shows the ManyCam application window. The main area displays a video feed of a man in a suit against a green background. Below the video feed are controls for video (ON/OFF), audio (ON/OFF), and a red 'ON AIR' indicator. A navigation bar includes 'Image', 'Audio', 'Playlist', 'Text', 'Draw', 'Time', 'Lower third', and 'Chroma Key' (which is selected). The 'Chroma Key' panel features a green 'ON' button, a selection tool, a 'No background' dropdown, 'Feather' and 'Narrow' sliders, and a 'Help' button. Below this is a color calibration bar with a 'filehorse.com' watermark. On the right, a 'SELECTED' panel shows a small thumbnail of the video feed and a grid of effect thumbnails. Below this is a 'FAVORITES' section with a heart icon and the text 'Drag and drop effects for easy access'. At the bottom right, there are social media icons for Facebook, YouTube, and Twitter, with the text 'Follow us'.
